

NH CBE TEACHER LEADER PROGRAM

New Hampshire
**Learning
Initiative**

YOUR PARTICIPATION IN THE NH CBE TEACHER LEADER PROGRAM PREPARES YOU TO:

- *FACILITATE CONTINUING EDUCATOR TRAINING*
- *LEAD PEERS IN CBE PRACTICES*
- *PROVIDE PARENT AND COMMUNITY OUTREACH*
- *RECOGNIZE AND ADDRESS EQUITY ISSUES IN LEARNING AND ACHIEVEMENT*
- *PROVIDE GREATER LEADERSHIP IN YOUR DISTRICT'S COMPETENCY-BASED EDUCATION GOALS*

NHLI recognizes that in a competency-based educational environment, success rests on distributive leadership. Teachers in a variety of roles and content areas want skills that build a foundation for leading and supporting innovative practices in their schools. If you have desired to assist your district in moving forward in its competency-based education and equity goals, this program will assist you in gaining the skills to achieve that. Your exact role and duties are determined by your district, but the Teacher Leader program prepares you for the responsibilities related to leading or co-leading in-district as needed. As a benefit to school districts and teachers, this no-cost CBE training provides a stipend of up to \$1,250 to cover participation.
