

Implementation of CBE:

Key Considerations for New Hampshire Principals

When: Wednesday, April 12, 2023 from 2-3pm on Zoom

This **free** webinar is designed for NH principals and members of their guiding coalitions who are in the early stages of implementation of competency based education. It will focus on the following objectives:

Objective 1

Understand the 7 design principles of CBE and how they integrate in a school model.

Objective 2

Unpack the roles that curriculum frameworks, instruction, assessment, grading / reporting, and equity play in the work.

Objective 3

Consider the importance of leadership and the development of a culture of collaboration to support the work.

Webinar Facilitated By:
