“GIVE YOURSELF A CHANCE” By Joe Sanfelippo

As we get into the process of having people change the way we talk about what we do and actually changing the way we do what we do, it is important to make sure that we give ourselves the best chance every day to lean into each other and provide a better opportunity for the kids we serve.

DR. JOE SANFELIPPO

Dr. Sanfelippo spent the last 12 years as the Superintendent of the Fall Creek School District in Fall Creek, WI. The Fall Creek District was named an Innovative District in 2016 and 2017 by the International Center for Leadership in Education.
