

Future Learning Pathways

2024-2025

New Hampshire
Learning Initiative

The Future Learning Pathways (FLP) Network is a grant-funded collaborative with the goal of developing and implementing learning pathways aligned with student agency, emerging technologies, and career-connected learning. School District teams form the network, and benefit from shared resources, expert guidance, and the time and space to create a plan that supports student growth and success in career, college, and life.

TEAM MEMBERSHIP

FLP district teams are composed of 5-10 stakeholders and meet 4 times each year.

Team Meetings Include:

- New learning opportunities through innovative approaches to the work such as AI exploration, Agile Classroom, and much more.
- Team time where teams apply what they learn to their plan
- Networking across district teams to share resources and experiences.
- Support for the District's Portrait of a Graduate/Learner

Annual Team Registration reserves your team spot for a one-time fee of \$350 which covers meeting expenses for the entire team.

[Click Here](#) to Register Your Team.

For more information, visit the [Future Learning Pathways Network website](#).

With Your FLP Team membership, your team receives complimentary registration for the Career Summit and John Spencer's one-day workshop on March 20, 2025.
