

## NH PLACE 2024-2025

### Performance Learning and Assessment Consortium For Educators

NH PLACE is generously supported by NEA-NH

**NHLI invites Secondary Science teachers to join NH PLACE. This network is designed for and led by educators, and is offered at no cost to districts.**

#### Why School Leaders Should Send Secondary Science teachers to NH PLACE

- Increase teacher expertise in competency-based learning and student-centered instruction
- Build teacher leadership in assessment
- Promote assessment literacy for teachers

#### Why Secondary Science Teachers Should Join NH PLACE

- Strengthen understanding of NGSS, performance learning and performance assessment design
- Develop performance learning curriculum and assessments centered on Phenomena and Sensemaking, adding to the NH PLACE task bank
- Work collaboratively and network with grade level and content area peers
- Pilot tasks and calibrate student work to strengthen curriculum
- Learn and share classroom strategies to increase engagement and student agency in Science
