

# OGAP MATHEMATICS TRAINING SUMMER 2025

OGAP is an evidence-based formative assessment system that includes professional development, resources, and routines for teachers and leaders to continually adjust instruction to meet the diverse needs of students in grades K-8 mathematics.

- 11 In-Person Trainings In June, July, and August
- Various Locations Throughout NH  
*(see dates and locations on page 2)*
- Each Training Consists of:
  - Four Consecutive, In-Person Days
  - Three Virtual Follow-Up Sessions In the Fall
- SNHU Graduate Credit Available

## Benefits of OGAP Training:

- Introduce teachers to underlying research on student learning
- Explore and model effective instructional strategies
- Provide practice in using OGAP tools and routines to continually monitor and respond to student thinking
- Teachers develop deeper understanding of the mathematical content
- Actively engage teachers in problem solving, analyzing student work, and small and whole group discussions
- OGAP helps teachers become smarter users of their district's math program
